Celinda Shands : Chiropractic Rehabilitation: A Practical and Complete Guide for Successful Rehabilitation Clinics before purchasing it in order to gage whether or not it would be worth my time, and all praised Chiropractic Rehabilitation: A Practical and Complete Guide for Successful Rehabilitation Clinics:

"A detailed draft of the procedural protocols essential to a comprehensive program...abundantly illustrated, easy to follow, the perfect guide for every practitioner....a wealth of information worth many times of the cost of this outstanding text". Motion Palpation Institute review.
