If you have read "Rescuing Providence"and "Responding" there is not much new here. Some of the stories were published in the earlier books.3 of 3 people found the following review helpful. If you like he first or any other, you will like this one too.By John A. AntonelliIf you liked his first book or his second book or his third book you will love his fourth book. IF you liked Rescue Squad you

will like this book. Bottom line, its the story of his life as a Lt on a Providence, RI ambulance. His trials, tribulations and successes. Its ambulance stories from the street and unlike some other books, this one has a professional editor so there are no typos (even though typos are the sign of authenticity in a cop of firefighter book).5 of 5 people found the following review helpful. Very interesting and we'll writtenBy Elise AliceMe. Morse writes in a way that lets you have the experience of going a long on rescues. He shares his stories with unflinching honesty and compassion. Highly recommended!

Take a breathtaking ride ride along with emergency responders.Rescue Lieutenant Michael Morse brings you into the homes, minds and hearts of the people who live in one of Americas oldest and most diverse cities. He takes you along for a breathtaking ride as he responds to emergencies that can be heartwarming, hilariousand sometimes tragic. From the profound to the absurd, from challenging situations to total disbelief, its all simply a day at work for our firefighters, EMTs and police officers.

About the AuthorMichael Morse spent twenty-three years working in Providence, Rhode Island as a firefighter/EMT before retiring in 2013 as Captain, Rescue Co. 5. His books and articles offer fellow firefighters, EMTs and the general population alike a poignant glimpse into one person's journey through his life and work. Morse lives in Warwick, Rhode Island with his wife, Cheryl, two Maine Coon cats, Lunabelle and Victoria Mae and Mr. Wilson, their dog. They have two daughters, Danielle and Brittany.
