8 of 8 people found the following review helpful. Very highly recommended.By firstjohn520Have been a professional medical coder since 1/2013. These exercises are challenging. I have been using this book extensively in preparation to take the CCS. Very highly recommended.1 of 1 people found the following review helpful. It was exactly what I was looking for to help ...By PattyIt was exactly what I was looking for to help me with my problem areas in medical coding. Having the answers is very helpful because when you get something wrong, not only do they give you the correct answer but also an explanation with it.0 of 0 people found the following review helpful. Case summary practiceBy rubijac5Good practice workbook!

Bought this for college, barely used it. Still has online answer available.
