Rebecca Graves MSPT : Clinical Decision Making for the Physical Therapist Assistant: Across the Continuum of Care before purchasing it in order to gage whether or not it would be worth my time, and all praised Clinical Decision Making for the Physical Therapist Assistant: Across the Continuum of Care:

0 of 0 people found the following review helpful. which was nice.By that guyit is what it said it was, it showed-up in three days instead of a week, which was nice.3 of 3 people found the following review helpful. Good bookBy Debbie SinghA good reference for note writing. Provides many details that make you think and better analyze the situation. Good job!

Prepare for the clinic with confidence! Here's the perfect go-to text for developing the critical-thinking and clinical-

decision making skills you need to transition from the classroom to the clinic—specifically designed for PTAs. From common to complex, thirteen real-life case studies represent a variety of practice settings and age groups. Identify, research, and assess the pathologies and possible treatments. Photographs of real therapists working with their patients bring concepts to life. Reviewed by 16 PT and PTA experts, this comprehensive resource ensures you are prepared to confidently make sound clinical decisions. Perfect as a stand-alone text or integrated throughout the curriculum!
