Terry Des Jardins, George G. Burton : Clinical Manifestations and Assessment of Respiratory Disease, Fifth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Clinical Manifestations and Assessment of Respiratory Disease, Fifth Edition:

1 of 1 people found the following review helpful. For student RT's, good to add to your library.By Keith BerlinIt's not the newest version, but most of the information is still accurate. A good addition to your study material.0 of 0 people found the following review helpful. Five StarsBy Wumithe order came fast and it was okay0 of 0 people found the following review helpful. clinical manifestationsBy MarkBook is pretty much as described. My only complaint is shipping took roughly 3 weeks.
