**Jimmy D. Bartlett OD DOS ScD, Siret D. Jaanus PhD LHD : Clinical Ocular Pharmacology, 4e** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clinical Ocular Pharmacology, 4e:

\* A distinguished panel of contributing authors that cover every aspect of ocular pharmaceutical intervention \* Thoroughly revised chapters that reflect the current state of primary eye care practice. From a Review of the Third Edition: "This outstanding reference must be considered the "gold standard" among optometric textbooks. It should be included in every optometrist's library" Journal of the American Optometric Association\* Essential resource keeps you informed of developments in the therapeutic treatment of eye disorders and the new pharmacologic diagnostic

procedures \* Includes pharmacologic management of the refractive surgery patient and postoperative cataract surgical care\* A distinguished panel of contributing authors covers every aspect of pharmaceutical intervention in primary eyecare
