M. N. Hegde : Clinical Research in Communicative Disorders: Principles and Strategies before purchasing it in order to gage whether or not it would be worth my time, and all praised Clinical Research in Communicative Disorders: Principles and Strategies:

0 of 0 people found the following review helpful. Great BuyBy Helen ChambersI was really happy with the service/shipping/everything when it came to this product. It was a new book and it looked as perfect as one would want. It came days before it was due which was great because I needed it asap. Extremely happy!0 of 0 people found

the following review helpful. Five StarsBy Katherine Steffneygreat product came as described!0 of 0 people found the following review helpful. Four StarsBy Lorraine RobertsLiked it as much as you would like any college text book :-/

...leading text on research methods in communicative disorders - the most comprehensive coverage
