**Carol A. Falender, Edward P. Shafranske : Clinical Supervision: A Competency-Based Approach** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clinical Supervision: A Competency-Based Approach:

Clinical Supervision is a comprehensive, up-to-date scholarly resource for training and supervising mental health practitioners. It guides readers through a science-informed process of supervision that clearly delineates the

competencies required for good practice. The authors have geared this integrative approach to mental health professionals who currently provide supervision in academic, training, and treatment settings as well as to students and practitioners who are studying the supervision research and theory for the first time.
