Optum360 : Coders Desk Reference for Diagnoses (ICD-10-CM) 2017 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Coders Desk Reference for Diagnoses (ICD-10-CM) 2017:

3 of 3 people found the following review helpful. Five Stars By ItReally helped to understand the meaning of some of the codes. 2 of 2 people found the following review helpful. Five Stars By cherice witter Not too much can go wrong with books from the experts at Optum. 0 of 0 people found the following review helpful. One Star By Chase This is an old book with old ICD 10 codes. It will not be helpful

The 2017 Coders Desk Reference for Diagnoses provides thousands of clinical descriptions of diseases, disease

processes, injuries, poisonings, and other conditions to help both novices and seasoned coders attain the knowledge and skill necessary to accurately identify and assign the most specific ICD-10-CM diagnosis code for each condition. With these clinical definitions and focus points, you can reduce coding errors and improve coding confidence by gaining a better understanding of the clinical meanings behind the codes.

Key Features and Benefits New Optum360 Edge

- More clinical descriptions and focus points.** Expanded with hundreds of clinical descriptions and focus points for new and changed 2017 codes as well as existing ICD-10-CM codes.
- New Optum360 Edge Illustrations** at the chapter and code level. Often an illustration is needed to enhance understanding. Illustrations of pertinent anatomy and pathological changes related to the disease process are included as a visual aid.
- Optum360 Edge Code Level Clinical Description.** Code level descriptions are provided for select diseases, injuries, symptoms, other factors influencing health status, and other reasons for contact with health care providers.
- Optum360 Edge Clinical Focus Points.** Improve overall coding accuracy with additional information for complex diagnoses and injuries that require an understanding of related codes and conditions that might better describe the documented condition.
- Alphanumeric Organization by ICD-10-CM Code.** Locate codes quickly with a resource developed to work hand-in-hand with your Optum360 ICD-10-CM code book.
- Enhance Understanding of ICD-10-CM.** Understanding the meaning of the clinical condition captured by each code is essential to correct code assignment and this resource is designed to explain and highlight differences between codes that may appear similar at first glance.

Designed for Both Novices and Seasoned Coders. All coders will find that these clinical descriptions enhance understanding of ICD-10-CM.
