1 of 1 people found the following review helpful. necessity for work By xena Excellent of course but we used this at work and I'm well familiar with this. I'm more comfortable with Optum products anyway and will always buy their products for work. I use this everyday to assist me in coding, a resource I wouldn't do without. 1 of 1 people found the following review helpful. it is a great supplement. I keep it at my desk for ... By Karma Although it does not replace the AMA issued CPT book, it is a great supplement. I keep it at my desk for clarifying those procedures that I don't encounter very often. ED coding means you do have a variety of procedures and our ER seems to be doing more things right in the ED instead of transferring them to amb surg if they can. 1 of 1 people found the following review helpful. CPT reference By ALY Great just what I was needing for the CPT codes! This gives good descriptions!
