Ingenix : Coders'squo; Desk Reference for Procedures 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Coders'squo; Desk Reference for Procedures 2013:

2 of 2 people found the following review helpful. Can't work without it. By jraniseski I'm the envy of my coding coworkers because this book is fantastic. Everyone loves to borrow it -- I wish they'd get their own. 0 of 0 people found the following review helpful. Five Stars By Misty Davis It was in perfection condition. Exactly what I had expected. 0 of 0 people found the following review helpful. Four Stars By Barbara H. Thank you

The Coders' Desk Reference for Procedures is a comprehensive resource for all 2013 CPT codes. This all-inclusive tool helps identify the minute differences between, and components of, similar CPT codes. You'll code more accurately from operative reports and produce cleaner claims the first time by improving your understanding of the clinical meanings behind the codes and checking billing and coding information for Medicare. Plus, this reference is ideal for training new coders and medical staff in the CPT coding system.
