**Optum : Coding and Payment Guide for Behavioral Health Services 2014** before purchasing it in order to gage whether or not it would be worth my time, and all praised Coding and Payment Guide for Behavioral Health Services 2014:

2 of 2 people found the following review helpful. But for anyone that is looking for help with Mental Health Coding this is a waste of moneyBy KiniThe review is for the seller! But for anyone that is looking for help with Mental Health Coding this is a waste of money. It has the same information at the CPT book.0 of 0 people found the following review helpful. Five StarsBy Wanda RedmonExactly what I needed and very informative.

The Coding and Payment Guide for Behavioral Health Services is your one-stop coding, billing, and documentation guide to submitting claims with greater precision and efficiency. This guide has the latest 2014 specialty-specific ICD-9-CM, HCPCS Level II, and CPTreg; code sets along with Medicare payer information, CCI edits, helpful code descriptions, and clinical definitions. Key Features and Benefits: Increase coding efficiency. All CPTreg; code information is included on one page for quick and easy look-up. Prevent claim denials and stay up-to-date with Medicare payer information. Review Medicare Pub. 100 references containing information linked to HCPCS Level II and CPTreg; codes tailored to behavioral health services, to prepare cleaner claims before submission. Avoid confusion with easy-to-understand descriptions. Includes clear explanations of procedures represented by CPTreg; codes, along with clinical definitions and ICD-9-CM code explanations specific to behavioral health services. Improve

the precision of ICD-9-CM code selection. Prevent claim denials often caused by incorrect code selection with icons that help identify the most appropriate ICD-9-CM code. CPTreg; is a registered trademark of the American Medical Association.
