Optum360 : Coding Companion for OB/GYN 2017 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Coding Companion for OB/GYN 2017:

0 of 0 people found the following review helpful. OB Coding books By C. Fernandez Great coding books - up to date!! 5 of 5 people found the following review helpful. A MUST HAVE FOR ALL CODERS IN OB/GYN By lady II so needed this book. this book for all coders is a must have. explanation is great it gives you the diagnoses codes to match the cpt code. also in the back you have your CCI edits to prevent bundling. 1 of 1 people found the following review helpful. Extremely helpful for appropriate add on codes, up to ... By Ivonda Epps Extremely helpful for appropriate add on codes , up to date reimbursable ICD 10 codes. Also very helpful coding tips

Consolidate the coding process with the one-stop resource developed exclusively for those who code for obstetrics and gynecology. This comprehensive and easy-to-use guide includes 2017 CPTreg., HCPCS, and ICD-10-CM code sets

specific to obstetrics and gynecology. Each specialty specific procedure code includes its official description and lay description, coding tips, terminology, cross-coding, and national Medicare relative value units. Getting to the code information you need has never been so easy. Key Features and Benefits New Optum360 Edge Documentation and Reimbursement Tips now included right on the page. Documentation and reimbursement information for procedures included for quick reference. Optum360 Edge HCPCS Procedure Codes. Only Optum360 offers HCPCS procedure codes specific to your specialty with the same information as we provide for CPTreg; codes. Quickly find information. All the information you need is provided, including illustrations, lay descriptions, coding tips, terms, cross-coding, and Medicare RVUs and Pub. 100 references. Organized by CPTreg; and HCPCS procedure code. Essential procedures for obstetrics and gynecology are listed by CPTreg; or HCPCS procedure code, along with crosswalks to ICD-10-CM diagnosis codes. Easily determine fees for your practice and reinforce consistency in the charges. National Medicare relative value units for surgery codes and most diagnostic procedures are included. Avoid claim denials and/or audits. Medicare payer information provides the references to Pub. 100 guidelines, follow-up days, and assistant-at-surgery.CCI Edits by CPTreg; and HCPCS procedure code. CPTreg; and HCPCS procedure codes with associated CCI edits in a special section and quarterly updates available online. CPTreg; is a registered trademark of the American Medical Association.
