Optum360 : Coding Companion for Orthopaedics - Lower: Hips Below 2017 before purchasing it in order to gage whether or not it would be worth my time, and all praised Coding Companion for Orthopaedics - Lower: Hips Below 2017:

2 of 2 people found the following review helpful. I already use Encoder pro and this has the same ...By Crystal PearsonI already use Encoder pro and this has the same information as that does. I thought it would give more in-depth on the hips and below for coding tips.0 of 0 people found the following review helpful. Ortho Coding Necessity When You Can't Be At Your ComputerBy KimberlyI bought this to take the orthopedics specialty coding exam. If you have Encoder Pro, Supercoder, or AAPC Coder, then everything in these books is available through your subscription. If you need the information when access to a computer is not possible, then these books are perfect.

Consolidate the coding process with the one-stop resource developed exclusively for those who code for orthopaedics.

This comprehensive and easy-to-use guide includes 2017 CPTreg, HCPCS, and ICD-10-CM code sets specific to orthopaedics. Each specialty specific procedure code includes its official description and lay description, coding tips, terminology, cross-coding, and national Medicare relative value units. Getting to the code information you need has never been so easy. Key Features and Benefits New Optum360 Edge Documentation and Reimbursement Tips now included right on the page. Documentation and reimbursement information for procedures included for quick reference. Optum360 Edge HCPCS Procedure Codes. Only Optum360 offers HCPCS procedure codes specific to your specialty with the same information as we provide for CPTreg codes. Quickly find information. All the information you need is provided, including illustrations, lay descriptions, coding tips, terms, cross-coding, and Medicare RVUs and Pub. 100 references. Organized by CPTreg and HCPCS procedure code. Essential procedures for orthopaedics are listed by CPTreg or HCPCS procedure code, along with crosswalks to ICD-10-CM diagnosis codes. Easily determine fees for your practice and reinforce consistency in the charges. National Medicare relative value units for surgery codes and most diagnostic procedures are included. Avoid claim denials and/or audits. Medicare payer information provides the references to Pub. 100 guidelines, follow-up days, and assistant-at-surgery. CCI Edits by CPTreg and HCPCS procedure code. CPTreg and HCPCS procedure codes with associated CCI edits in a special section and quarterly updates available online. CPTreg is a registered trademark of the American Medical Association.
