Ingenix : Coding Companion for Podiatry 2010 before purchasing it in order to gage whether or not it would be worth my time, and all praised Coding Companion for Podiatry 2010:

Boost coding efficiency with this specialty-specific book that offers the most up-to-date coding information in a quick-search format! Contains both 2010 CPT and ICD-9-CM code sets specific to Podiatry. Also includes descriptions, illustrations, coding tips, Medicare RVUs, CCI edits, Pub. 100 guidelines and other relevant references listed on a single page for each code. CPT is a registered trademark of the American Medical Association.
