Great chapter- Differences between the 2nd and 3rd edition By Kindle Customer This is a great textbook. It was required for a Introduction class. Difference between 2nd and 3rd edition- Some of the chapters are in a different order in the 3rd. Also, there is an index in the 3rd which was a great addition for the professor. 0 of 0 people found the following review helpful. in good shape like it said By Karissa It was exactly what I wanted, in good shape like it said, and got here at the time I was told it would!
