Mark J. Minelli, Donald J. Breckon : Community Health Education: Settings, Roles, And Skills before purchasing it in order to gage whether or not it would be worth my time, and all praised Community Health Education: Settings, Roles, And Skills:

0 of 0 people found the following review helpful. Organized layoutBy JeanieThis was for a class, and it arrived in the shape that was described. It also arrived in a timely manner. I think it is very well lain out and organized in a way that makes it easy to find information that you are looking for.0 of 0 people found the following review helpful. Five StarsBy CustomerGREAT!0 of 0 people found the following review helpful. Very nice. Fast deliveryBy FARZAD RAVARIVery nice.Fast delivery.

Now in its Fifth Edition, Community Health Education: Settings, Roles, and Skills has been a mainstay in public health education and has been used to train thousands in the field. This thorough revision features all new information

on the latest concepts and strategies in health education. Each chapter will include a new section Field Site Experiences. These examples will provide real life experiences matching the chapter content material helping students connect theory with practice. Tips from Practicing Health Educators will also provide working examples from people with years of field experience. New public health challenges such as emergency response, Avian Flu, SARS, and designer drugs of abuse, have been woven into appropriate chapter materials. An all new chapter on creativity has also been added.
