**Lois A. Ritter, Shirley Manly Lampkin : Community Mental Health** before purchasing it in order to gage whether or not it would be worth my time, and all praised Community Mental Health:

0 of 0 people found the following review helpful. Good info, lots of pictures (bought for a required ...By smileaGood info, lots of pictures (bought for a required class). I didn't use it much but thought the content was helpful and up-to-date. Lots of inset charts and stories that made the facts relevant and interesting. Shipped quickly and arrived in good condition.1 of 1 people found the following review helpful. Community Mental HealthBy KarenI bought this book as a book I needed for a college class. The book is in ok condition. But it will work for what I need it for.1 of 1 people found the following review helpful. Easy to readBy Ali HammWell organized. Easy to read.

Community Mental Health is unique in that it focuses specifically on mental health at the community level. The authors carefully outline the essential skills that health professionals need in order to identify mental health concerns and develop effective programs for communities encountering symptoms of mental disorders or illness. The text includes up-to-date information about mental health issues across the lifespan, the mental health care system,

prominent mental health concerns faced by many communities, as well as information about interventions and model programs. The breadth of topics related to community mental health addressed include: indicators of illness and problems, methods of prevention and promotion, evaluation, and research. Instructor Resources, including PowerPoint Presentations, a TestBank, and an Instructor Manual are available as free downloads.
