Community Practice in Occupational Therapy: A Guide to Serving the Community is an essential community practice resource for occupational therapy. This book integrates the history of health care and principles of management, marketing, and economics to provide guidelines for community practice. This informative guide provides readers with the tools for developing a marketing plan, search for funding of practice, and plans for the implementation and evaluation of a community program. Community Practice in Occupational Therapy: A Guide to Serving the Community contains learning objectives, chapter summaries, case studies and PowerPoints.
