Kendrick A. Whitney : Compendium of Podiatric Medicine and Surgery 2014 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Compendium of Podiatric Medicine and Surgery 2014:

This unique subscription-based book is designed to help today's podiatrist manage an ever-increasing flow of information. The book's editorial team has studied hundreds of publications-mainstream podiatric journals as well as those from related fields-to hand-pick the most significant articles in each subject area from the previous year. Each article is expertly condensed in an easy-to-read, standardized format.
