**SOTO-USA : Compendium of Sacro Occipital Technique: Peer-Reviewed Literature 1984-2000** before purchasing it in order to gage whether or not it would be worth my time, and all praised Compendium of Sacro Occipital Technique: Peer-Reviewed Literature 1984-2000:

4 of 4 people found the following review helpful. Facinating informationBy A CustomerEverytime I need information about various topics relating to health or alternative health care, this book has something to offer. I don't know where they got all the different articles. They must come from all over the place, but what a resource! Great text for doctor, student or interested public.

...this volume contains all of the articles on the subject of Sacro Occipital Technique that were published in the

chiropractic peer-reviewed literature from 1984 through early 2000

About the Author Sacro Occipital Technique Organization-USA is a chiropractic organization dedicated to following the teachings of Dr. Major Bertrand DeJarnette, furthering chiropractic research, and developing multidisciplinary relationships for improving healthcare and helping humanity. Research conducted by this organization and its members will be published in the chiropractic peer-reviewed literature.
