My state test is next Friday-can't thank you enough-will never buy from this seller again! I am not only out the money, but can't use this to study! TOTAL RIPOFF5 of 5 people found the following review helpful. Question ReviewBy DonSThis book would be good if what you were looking for is sample test questions, and nothing more.My wife has worked for a doctor for years, doing all the blood work for the practice, and she wanted to prepare for the national certification exam. She does not feel this format works for her. If you have taken the classes and want a review test before the certification exam, this might be
