**Kent Whitaker, Paul Eberle, Lisa Trujillo : Comprehensive Perinatal Pediatric Respiratory Care** before purchasing it in order to gage whether or not it would be worth my time, and all praised Comprehensive Perinatal Pediatric Respiratory Care:

0 of 0 people found the following review helpful. Five StarsBy CustomerPerfect condition!0 of 2 people found the following review helpful. Condition not as described.By 3030150This book was purchased with a description of "good condition" but when it arrived it was certainly in poor condition. The pages were yellowed and full of writing, the cover/spine was soft and well worn.

Learn the latest in respiratory care for newborns and children from COMPREHENSIVE PERINATAL AND PEDIATRIC RESPIRATORY CARE, 4E. This newly updated book is clear, consistent, and easy for you to follow. Comprehensive coverage of fetal development of the cardiopulmonary system, is followed by respiratory care of neonatal and pediatric patients, and progresses into causes and care of respiratory illnesses. It provides discussion of

the ventilation and oxygenation needs of neonatal and pediatric patients including information on both conventional and special techniques. Topics unique to this book, such as care of parents and home care, are discussed in detail. **COMPREHENSIVE PERINATAL AND PEDIATRIC RESPIRATORY CARE, 4E** provides you with the theory and clinical expertise necessary to embark on your career and meet the challenges presented in a rapidly changing health care environment.

**About the Author** Kent Whitaker is an assistant professor at Idaho State University in the Physician Assistant Program. He was formerly an instructor of Respiratory Therapy at Weber State University in Ogden, Utah. Mr. Whitaker is a certified Physician's Assistant and holds a Masters in Education degree.
