Mea A. Weinberg, Cheryl Westphal Theile, Stuart J. Froum, Stuart Segelnick : Comprehensive Periodontics for the Dental Hygienist (4th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Comprehensive Periodontics for the Dental Hygienist (4th Edition):

0 of 0 people found the following review helpful. Great Perio Book for Dental HygienistsBy vanoGreat Perio Book for Dental Hygienists. The only reason I give this four stars is because there are a few (like ~5) concepts that are not clearly stated and hard to understand without external help. Other than that, great book to read to learn about perio.0 of 0 people found the following review helpful. Love it!By CustomerChapters are not to long , and the author gets straight to the point. Love it!0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book for hygiene student.

The trusted guide to clinical periodontics. Comprehensive Periodontics for the Dental Hygienist, 4/e provides concise

coverage of the foundations of periodontics. This text is a helpful introduction for dental hygiene students and a valuable resource for practicing hygienists. Coverage includes the clinical aspects of periodontics, including surgical and nonsurgical procedures, and presents material in a clear and accessible format. Anchored in evidence-based learning, chapters provide simple explanations of many of the complexities of the dental disease process and provide clear links to practical aspects of therapy. Teaching and Learning Experience This text offers a clear and accessible introduction to periodontics. It provides:

- Clear links between theory and practice: Discussions and textbook features help readers connect chapter material to real applications.
- Preparation for national board exams: Resources follow the content and format of national board exams.
- Effective learning resources: Numerous references and review tools help students truly master chapter material.
