**Carla Tyson-Howard, Shirlyn C. Thomas : Comprehensive Review Guide For Health Information: RHIA RHIT Exam Prep (Tyson-Howard, Comprehensive Review Guide for Health Informat)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Comprehensive Review Guide For Health Information: RHIA RHIT Exam Prep (Tyson-Howard, Comprehensive Review Guide for Health Informat):

2 of 2 people found the following review helpful. good book for RHIA exam.By CustomerIt is very help for me to prepare for my RHIA Exam and I pass the exam on 06/23. I have some issues of its online test site. Some pics can not load for chapter 4 exam or test.0 of 0 people found the following review helpful. Five StarsBy Mrs. ZambranoHighly

recommended for the RHIA exam. I passed by using this book amongst others. 0 of 0 people found the following review helpful. Good book to practice with for RHIA/RHIT exam. By Michelle Strickland Very good book to study from for the RHIA/RHIT exams. Has a good outline, workbook section and practice questions. If you had latour or abdelhak you're benefit most from all the chapters. If you have sayles you'll benefit from 2-3 chapters. Overall a good book. Seller did a good job in mailing the book, it was in New condition. No complaints!

This comprehensive review of health information serves as a personal tutor and is designed to assist students with navigating through Health Information Management (HIM) coursework and in passing the national examination for Registered Health Information Administrators (RHIA) and Registered Health Information Technicians (RHIT). Complete with a combination review book/workbook, and a companion website, this thoroughly updated Second Edition is an invaluable resource that reflects all the major advances in the curriculum and the industry of health information, including: - New electronic health record and reimbursement methodologies - The Health Information Technology for Economic and Clinical Health (HITECH) legislation - ICD-10-CM/PCS The Second Edition also offers: New practice tests questions in each chapter An online TestPrep study center that provides multiple online mock exams with item analysis Interactive, gradable exercises including matching and sequencing exercises, available through a companion website References with links to online sources of material for further study
