Ordering it one made this book much more affordable than buying it from the school. The book is well written and easy to follow along with. 0 of 0 people found the following review helpful. Five Stars By petersdeal Good for review for state board test. 3 of 3 people found the following review helpful. great review materials By roderick durant The place to start your CT prep work..you WILL need additional resources to get ready for the ARRT CT test...but this is a great place to start. The book is well

organized and presents in review format making it easier to navigate the myriad of material needed to pass the ARRT CT test. R.D. ARRT, CRT, RT(R)(CT)

Leveraging the organization and focus on exam preparation found in the comprehensive text, this Exam Review will help any student to successfully complete the ARRT General Radiography and Computed Tomography exams. The book includes a bulleted format review of content, Registry-style questions with answers and rationales, and a mock exam following the ARRT format. The companion website offers an online testing simulation engine.
