**From Brand: Nova Science Pub Inc : Medicare and Medicaid: Critical Issues and Developments** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medicare and Medicaid: Critical Issues and Developments:

This text presents important analyses of topical issues concerning the Medicare Medicaid programs. Medicare is a

health insurance program administered by the U.S. government, covering people aged 65 over, or who meet special criteria. Medicaid is the U.S. health insurance program for individuals families with low incomes.
