Jennie Jacobs Kronenfeld : Medicare (Health and Medical Issues Today) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medicare (Health and Medical Issues Today):

Including up-to-date details about Medicare in light of the 2010 Health Care Reform bill, this book will help readers understand past concerns about the program, as well as current issues and ways to address them. Primary documents detailing parts of the legislation; A timeline of events in the history of Medicare

"This volume offers good coverage of current debates related to Medicare, including its lack of long-term care options. Summing Up: Recommended." - Choice
About the Author Jennie Jacobs Kronenfeld, PhD, is professor in the sociology program in the School of Social and Family Dynamics (SSFD) at Arizona State University, Tempe, AZ.
