Life Log Books : Medicine Tracker before purchasing it in order to gage whether or not it would be worth my time, and all praised Medicine Tracker:

With the Medicine Tracker as a daily companion, you can easily keep track of your medications all in one place. It is simple to record each medication and the time you take it. There is also a section to record how you feel, note reactions, or jot down something you might want to tell your doctor. And donrsquo;t forget to personalize the book with your information. This handy journal is great for, caretakers, nurses, or anyone needing to know how they are feeling on new medications.
