Karla L. Kinderman : Medicolegal Forms with Legal Analysis: Documenting Issues in the Patient-Physician Relationship before purchasing it in order to gage whether or not it would be worth my time, and all praised *Medicolegal Forms with Legal Analysis: Documenting Issues in the Patient-Physician Relationship*:

1 of 1 people found the following review helpful. indispensableBy J. PatchotchkeyAn extremely useful guide for physicians about how to compose correspondence to patients and how to structure documentation of informed consents, releases of information, and other thorny medico-legal issues. Written by attorneys in consultation with the AMA, it therefore carries the imprimatur of the pre-eminent professional physicians organization. Highly recommended.

This best-selling practical reference has been a trusted resource for physicians, administrators, and office managers everywhere for nearly 40 years. It provides sample forms, correspondence, authorizations, notifications, and releases and offers concise, carefully selected legal analyses documenting the pertinent risks, conditions, procedures, and situations each sample form addresses. Thoroughly redesigned to offer you increased ease of use and completely updated to reflect the most current legal and ethical positions, *Medicolegal Forms* offers you and your patients

protection and peace of mind.

From the Back CoverMedicolegal Forms with Legal Analysis has been guiding physicians, administrators, and medical office managers through the complexities of their legal and ethical responsibilities to patients, employers, and themselves for almost forty years. this edition has been completely updated and revised to address the myriad of changes in the medical profession. -In-depth analysis of such topics as the patient-physician relationship, confidentiality, informed consent, and end of life issues - all with a focus on informed patient decision-making - and numerous citations from recent case law keep physician up-to-date on current hot topics in medicine and their legal ramifications. -More than fifty sample forms, including letters, fill-in forms, telephone advice, and more, provide clear guidance for physicians and group practices as they update their current forms and develop additional ones to address new procedures and situations. -Suggested Readings and Resources at the end of each section offer current reference on relevant topics to those who wish to do further reading.
