1 of 1 people found the following review helpful. problemsBy mitchellI'm having tons of software issues with this Medisoft Version 18 Demo CD. I have been on and off the phone with customer service and they keep telling me to uninstall it and reinstall it, which I do. But then it does it again and I have to reinstall all over again. Very unhappy with this product.1 of 1 people found the following review helpful. Five StarsBy lisa m spencerThis cd worked perfect on Windows 8.1 even though it stated it was for Windows 7.0 of 0 people found the following review helpful.
