(author) Heather Currie : Menopause: Answers at Your Fingertips (At Your Fingertips S.) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Menopause: Answers at Your Fingertips (At Your Fingertips S.) (Paperback) - Common:

The menopause is a natural part of every woman's life. Some of us breeze through it without a problem. This book shows that there are many ways we can improve and even banish our symptoms. It answers over 160 questions from real women and encourages you to use the information to manage your menopause in a way that suits you and your lifestyle.
