Cengage Learning Delmar : Merriam-Webster Medical Office Handbook, 2E before purchasing it in order to gauge whether or not it would be worth my time, and all praised Merriam-Webster Medical Office Handbook, 2E:

0 of 0 people found the following review helpful. Great Purchase and Transaction! By Jai Sanders This Medical Reference Book is excellent! The condition of the book is excellent, and extremely useful even though the medical office is rapidly changing! 8 of 14 people found the following review helpful. Excellent book. A must for a medical office. By Michael Scalise The book is packed with a wide range of topics including medical ethics, staffing, scheduling, computers, Total Quality Management, managed care contracting, managing health records, etc.

A single volume handbook that provides fast, reliable answers in running an efficient and effective medical office by addressing all aspects of office management, medical writing and managed care issues. This invaluable health resource was written by a team of health care administration experts.
