**Paulette Y Robinson : MERRILY Model: 7 Highly Effective Tools That Enhance Your Child's Speech-Language Development** before purchasing it in order to gauge whether or not it would be worth my time, and all praised MERRILY Model: 7 Highly Effective Tools That Enhance Your Child's Speech-Language Development:

0 of 0 people found the following review helpful. Good resource By Shonia F Porter I found this book to be very helpful for parents with preschool-age children. I will definitely recommend for my speech students. 1 of 1 people found the following review helpful. Excellent resource! By Kenya This book is excellent! I purchased a 2nd copy for a friend's grandchild having speech issues. It's very intuitive, interactive and he absolutely loved the pictures. It's a great tool to help enhance children's speech development. 0 of 0 people found the following review helpful. Good transaction. Excellent condition and packaging By Elizabeth Thanks. . Good transaction. Excellent condition and

packaging
