Centers for Medicare and Medicaid Services, Derrick Grant : Minimum Data Set (MDS) 3.0 Coding Manual: item-by-item instructions for completing the MDS 3.0 before purchasing it in order to gage whether or not it would be worth my time, and all praised Minimum Data Set (MDS) 3.0 Coding Manual: item-by-item instructions for completing the MDS 3.0:

3 of 3 people found the following review helpful. This is a a wonderful book and resource for anyone that is involved in ...By sandra Young This is a a wonderful book and resource for anyone that is involved in the MDS Process for the long term Care facility or Home health company they work for . The book is simple to understand and it has a lot of examples. 4 of 4 people found the following review helpful. Very helpful By livingtree This book was very helpful and explained step by step in detail how to punch for medicare and medicaid coding. 7 of 8 people found the following

review helpful. MDS coding manualBy Bandaid12The book is very helpful in explaining what is being looked for in filling out the MDS 3.0. Of course it doesn't explain all the rationales for your answers that is what your manual is for! But it did help me comprehend what was expected. I used it to help in the tests for my recertification of my RAC-CT and it was helpful...If you keep it alongside your manual you should get a pretty good comprehension of the correct coding required. Any extra tool will help!!!!

This Minimum Data Set (MDS) 3.0 Coding Manual is an authoritative source of information about coding the MDS 3.0. The contents of this manual represent Chapter 3 of the Centers for Medicare and Medicaid Services' (CMS) Long-Term Care Facility Resident Assessment Instrument (RAI) User's Manual Version 3.0. Updated with CMS changes through 7/12/10. This manual includes item-by-item instructions for all required sections and items in the comprehensive MDS Version 3.0 item set with improved Table of Contents and pagination for faster reference. The goal is to facilitate the accurate coding of the MDS resident assessment and to provide assessors with the rationale and resources to optimize resident care and outcomes. Throughout this manual, MDS assessment sections are presented using a standard format for ease of review and instruction. Screenshots of each section are available for illustration purposes. The Appendix contains the entire MDS 3.0 as one document. To purchase bulk order copies of this manual, visit: www.ElderGuru.com/MDS
