American Psychological Association, McDermott, APA : Models for Multidisciplinary Arrangements: A State-By-State Review of Options (APA Practitioner's Toolbox) before purchasing it in order to gage whether or not it would be worth my time, and all praised Models for Multidisciplinary Arrangements: A State-By-State Review of

## Options (APA Practitioner's Toolbox):

This manual describes and analyzes several types of multidisciplinary arrangements through which psychologists may associate with others to optimize their position. It also reviews the legal ramifications of choosing a particular arrangement on a state-by-state basis.
