following review helpful. It's really a great read!By ToniaThis book is very interesting and worth the purchase! I recommend it to anyone looking for a fun inside look of the medical field!1 of 2 people found the following review helpful. More Confessions of a Trauma Junkie.By bookloverIt's written in a humorous way, and I enjoyed the stories. Probably could have been a little better with more stories of life in the front lines, mostly I felt it was just more about her life in dispatch than out in the field, but I did finish it. It's an okay read.

More True Stories from EMS and the ER More Confessions shares the raw and honest feelings of emergency service professionals through true 'story behind the story' revelations. Disclosing experiences from both sides of the gurney, Sherry and other EMS, ER, paramilitary, and firefighter responders walk you along their fragile line of sanity. Using humor as a life raft during perfect storms, workers reflect upon how they endure and survive personal and professional tragedy while trying not to care too much, and what happens when they fail in that attempt. A graduate student in psychology, Sherry is a paramedic, trauma nurse, and crisis interventionist who led a national paramilitary crisis response team and continues conducting crisis management training throughout the U.S. Emergency Service Professionals Praise More Confessions "Once again, Sherry brings to life the overlooked or, too often, over-hyped world of the emergency services for all to experience. She does so with a vitality and spirit that makes her prose almost poetic. If you want to glimpse the amazing world of EMS from 'behind the curtain,' More Confessions is for you. Highest recommendations." --Rev. Don Brown, B.A., M.Div., Flight Paramedic (retired), Chaplain, Lt. Col., CAP (retired); Pastor, First United Methodist Church, Grand Saline, TX "More Confessions will take you to the edge of first responder insanity with honesty and integrity. Sherry has once again opened our world to the reader by cleverly describing the unbelievable experiences that we have every day. This book is the real deal!" --Peter Volkmann, MSW, EMT, Chief-Stockport NY Police Department. "Through the venue of real and personable human experience stories, Sherry's More Confessions is a powerfully written sequel that provides key insights into the need for those who work in emergency and disaster response, as well as their families, to actively and purposely recognize and consistently address their physical, mental, and spiritual well-being. All who read this book will be touched deeply in some way." --Harvey J. Burnett, Jr., PhD, LP, President, Michigan Crisis Response Association Sergeant, Buchanan Police Department Assistant Professor of Psychology, Behavioral Sciences Dept., Andrews University Learn more at [www.SherryJonesMayo.com](http://www.SherryJonesMayo.com) From the Reflections of America Series at Modern History Press [www.ModernHistoryPress.com](http://www.ModernHistoryPress.com) Medical : Allied Health Services - Emergency Medical Services
