Helene M.E. Schalkwijk-Barendsen : Mushrooms of Western Canada before purchasing it in order to gage whether or not it would be worth my time, and all praised Mushrooms of Western Canada:

More than 500 species of mushrooms found from Manitoba to the Pacific Coast are described in detail and

meticulously illustrated in full colour. Includes information on habitat, distribution, identification and edibility, with indexes for common names, genera and species, as well as an illustrated glossary.
