**Daniel Limmer, Michael F. O'Keefe, Edward T. Dickinson : MyBradyLab with Pearson eText 2.0 -- Access Card -- for Emergency Care** before purchasing it in order to gage whether or not it would be worth my time, and all praised MyBradyLab with Pearson eText 2.0 -- Access Card -- for Emergency Care:

For courses in Emergency Medical Technician Training and Emergency Medical Services Help students think like EMTs with the gold standard for EMT training For over 30 years, Emergency Care has provided generations of EMT

students with the practical information they need to succeed in the classroom and in the field. Updated with the latest research and developments in emergency medical services, this edition meets the 2010 American Heart Association guidelines for CPR and ECC. Using the National EMS Education Standards as a foundation, Emergency Care goes beyond the Standards to provide the most current, accurate reflection of EMS practice today. The text integrates scientific principles in an easy-to-understand way, with a host of critical-thinking features that help students learn to think like EMTs. Also available with MyBRADYLab This title is also available with MyBRADYLab an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
