You Will Lose Access to the Textbook in 2 YearsBy kdddYOU DO NOT OWN A COPY OF THE TEXT IF YOU BUY THIS OPTION.You will receive access to their "eText" of the book. However, YOUR ACCESS TO THE TEXT EXPIRES 2 YEARS AFTER PURCHASE, i.e. right around the time you have to renew your EMT license. You cannot download the eText as a PDF or to your Kindle (contrary to

what Pearson's website says). You can only read it on Pearson's website or through their proprietary mobile app. 2 years after purchase you will lose access to the eText, your highlights, and notes (It doesn't state this anywhere on their website or on the materials. I only found out when I called Customer Service looking on how to download the eText as a PDF. Two separate representatives told me that I would lose access to the eText in 2 years). If you want to read the textbook or use it as a reference in the future, your only option is a physical copy.1 of 1 people found the following review helpful. amazing supplement~By jonexcellent supplement to the book, a must have for any serious emt student, looking to get certified.
