Nice book actually.0 of 0 people found the following review helpful. Very helpful!By tanvirhasanI was very skeptical about this book. Having said that, what did I have to lose? After many years of fungal nails and many treatments like prescription drugs still no use. Glad that my brother in law came to visit and notice it. He immediately introduced me to this book. This book provides great tips on how to heal it naturally. Even after a week you will see great results. Thank you Thomas.
