Edward Krull MD, Elvin G. Zook MD, Robert Baran MD, Eckart Haneke MD : Nail Surgery: A Text and Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Nail Surgery: A Text and Atlas:

0 of 0 people found the following review helpful. Five StarsBy mozes yoramThe only text for deep knowledge how to treat nail surgery problems.Very helpful.0 of 0 people found the following review helpful. Four StarsBy Marlon F.Very good book

A comprehensive surgical atlas, Nail Surgery offers practical strategies from acknowledged experts for correcting a variety of both congenital and acquired nail disorders. This "how-to" reference includes a review of the anatomy and biology of nail tissue, followed by a detailed presentation of perioperative management, surgical procedures and

techniques, specific conditions, preventive approaches, signs and symptoms, and recent recommendations about instrumentation and trauma. A Brandon-Hill recommended title.
