**American Academy of Orthopaedic Surgeons (AAOS) : Nancy Caroline's Emergency Care in the Streets, Vol. 2** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nancy Caroline's Emergency Care in the Streets, Vol. 2:

0 of 6 people found the following review helpful. item description changed By chelma I am glad to see that "volume 2" was added to the description. I wish that was there 6 weeks, \$8 in SH, and 10 headaches ago, I wouldn't of bought it from the seller. First time I have ever had a problem with an order from this web site, but they have corrected it.

A new edition of the classic paramedic text is back. Nancy Caroline's Emergency Care in the Streets, Sixth Edition will be available as one complete volume or as a three volume set. Volume 2 includes: Section 4. Trauma Section 5.
