Never have I found a printed/sold/published manual with so many blatant errors. Shame on the editor, don't waste your money.0 of 1 people found the following review helpful. EXCELLENT QUESTIONS, GIVES YOU AN IDEA OF WHAT TO EXPECTBy Chiropractor 73I bought this book at my bookstore in chiropractic school since I found a lot of students using it for board prep. Neuromusculoskeletal Diagnosis and Chiropractic Practice sections were crucial in helping me pass the boards. The questions are all in sections and organized so you go and see what you need more study time in.
