**Isaac Erlich : National Health Policy: What Role for Government?** before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Health Policy: What Role for Government?:

Many papers included in this volume express skepticism regarding both the diagnosis of the American health system

as fundamentally ailing and the prescription of greater public intervention in the financing and delivery of medical services as the remedy and sure path to recovery.

About the Author Richard A. Epstein is the James Parker Hall Distinguished Service Professor of Law at the University of Chicago, where he has taught since 1972. He has been the Peter and Kirstin Bedford Senior Fellow at the Hoover Institution since 2000 and a visiting professor at New York University Law School since 2007. He has written extensively on constitutional law, law and economics, and labor law.
