Michio Kushi : Natural Healing Through Macrobiotics before purchasing it in order to gage whether or not it would be worth my time, and all praised Natural Healing Through Macrobiotics:

0 of 0 people found the following review helpful. Natural Healing Through MacrobioticsBy MWI have found this book to be quite informative in letting you know thereis another way to help heal your own body and care for yourself.It informs you in a way that you are able to take your health into your ownhands by letting you know that the choice of foods you eat is either helps your body toheal and stay healthy or put your body in decline.0 of 0 people found the following review helpful. A powerful book to help you not only understand more ...By CustomerA powerful book to help you not only understand more about healing with macrobiotics but a very deep insight into it. A must have.0 of 0 people found the following review helpful. Five StarsBy Ria LouabI love this book it's going to help me a lot with my special diets on Macrobiotic
