Dr R Frank Gorman : The Scientific Basis of Spinal Manipulation Therapy for Constitutional Illnesses before purchasing it in order to gage whether or not it would be worth my time, and all praised The Scientific Basis of Spinal Manipulation Therapy for Constitutional Illnesses:

The aim of this book is to provide a simple theory to explain spinal manipulation for conditions usually treated by orthodox medicine such as depression, acne, lethargy, memory loss aches and pains chronic tiredness immunity deficiency to name a few examples In this case, spinal manipulation treatment is based on scientific principles which have appeared in the 1970s; and have grown to maturity over the ensuing years. I refer the Osteopathic Aura, the
