Rise Thrive!By Westwood Village ReviewsThis is a remarkably helpful transformative book authored by a proven leader who writes from an experience of deep success. If all leaders followed these principles all organizations would rise and thrive. For caregiving to truly improve leaders must tap into these powers every day!1 of 1 people found the following review helpful. A Radical New Look at LeadershipBy

Teresa WebbErie Chapman is the absolute master when it comes to the way America looks at compassionate care.. His national bestseller, *RADICAL LOVING CARE* , changed the face of healthcare delivery. nationwide In this new book, Chapman challenges caregivers to engage in the deepest form of caring while providing a precise roadmap for how to get there!. The history of leadership in this book is incredible. Chapman's own "mother test" is as simple and profound as any idea I've read. He speaks from a deep well of experience, running hospitals for 35 years. I'd like to see his new book in the hands of every caregiver in the country--a mandatory read for every new hire. His seven powers of leadership are unforgettable; an insightful and poetic invitation to engage the hearts AND minds of caregivers across the country Let's face it, change doesn't happen any other way. I've been looking for this type of book for a long time. It is the most inspirational I've read in ten years on the subject of leadership. I'd like to thank him personally for sharing the wealth of his expertise!!1 of 1 people found the following review helpful. Chapman has accomplished another great feat in his latest masterpieceBy lizChapman has accomplished another great feat in his latest masterpiece. His finely crafted stories provide a historical context that is both fascinating and informative. I was immediately drawn in by his personable writing style, imaginative prose and beautiful images. The experiences he recounts are powerful because they really happened. He builds a compelling case for why the stakes are high in healthcare. Chapmans thought provoking questions spark reflection on the meaning of ones own life and those who are entrusted in our care. His visionary leadership not only inspires but awakens a deeper appreciation for the why we do this work. He gifting us will continue to unfold in expansive ways long after reading this book.

Every one of the world's top leaders used seven kinds of life energy to achieve earthshaking success. In *The Seven Powers of Radical Loving Leadership*, renowned healthcare CEO and best-selling author Erie Chapman (*Radical Loving Care*) describes how healthcare leaders can engage these same forces to create organizations of peak excellence. Patients are counting on new leadership in healthcare. This book lights the way.
