Get two weeks of job experience under your belt with The Simulated Administrative Medical Office: Externship Practice for Medical Assisting! This simulated practicum walks you through ten days on the job as an administrative medical assistant working in the front office of a medical practice. Clear, step-by-step instructions show you how to complete tasks such as patient scheduling, billing, and insurance using SimChart for the Medical Office. The guide also reinforces points of professionalism to ensure you'll be well prepared to succeed in your actual externships and future AMA career! 50 tasks each simulate an actual administrative duty of the medical assistant such as managing patient scheduling, insurance, or billing to develop your front office skills. Step-by-step instructions simplify the daily tasks and make simulations and practice more realistic. Examples of forms and supplies are included online to use in completing assigned daily tasks. Tasks are fully aligned with CAAHEP and ABHES competencies for medical assisting, including the newest CAAHEP standards.
