It's cheaper and good condition of the book I needBy CustomerI'm a college student on a budget of knock off Ramen and rain water. It's cheaper and good condition of the book I need. It's perfect.1 of 1 people found the following review helpful. Bought for CollegeBy Katrinal like that the Kindle edition was \$40 cheaper than the actual text at the time I bought it. I did not use it for class much, but what I did read from it was quite interesting. I would love to read more of it when I have the free time and the motivation to read.
